The Expo will open to the general public promptly at 10 am. The format has been designed to move the flow of traffic so all your potential customers will be able to get better acquainted with you.

11 am - 1 pm / Taste of the Expo

An extremely popular attraction, we've honed the Taste of the Expo to better suit the needs of the restaurants and customers. You'll receive two complimentary Taste passes which are redeemable for six taste tickets so you can sample a wide variety of foods.

The Mattoon Chamber of Commerce is excited to help local and area businesses promote their products and/or services to the community, generate a "buzz" about them, and build good will. Join your business peers, your competitors and your customers to tell them what differentiates you from others and why customers should come knocking.

What We Can Do For You!

After a year off from the Business Expo, we are gearing up with full force to make this Expo one to remember. With past Expo's near sell-outs and in excess of 3,500 potential customers, we have set our hopes high for a knock out year. Check out the opportunities in store for your business or organization at this year's 2010 Business Expo, an opportunity to introduce or reintroduce your business to a mass audience.

Showcase Your Business

Tell us why we should shop with you, and more about your contribution to the community. Several thousand local and area residents will see what you're all about.

Taste of the Expo

Showcase your catering or restaurant's tastiest treats for which your business is known. Your entrance fee to the expo is the culinary delights you'll serve in your booth.

Industry

Open the doors to your industry by telling us more about what your company manufactures. Double up your efforts and use this opportunity to recruit employees. All industries will be together where they can host their own job fair.

Entertainment

The key to a perfect event is the entertainment. Enjoy the Expo with local musicians who promise to keep your visit lively!
