

DESSERT

A sweet course for a thriving community

Chamber Buck\$ - Since the inception of our Chamber Buck\$ program, over **\$1 million dollars** has been kept in our community and benefited the Mattoon economy - encouraging more and more people to "Shop Local!" The sales tax dollars generated goes back into our community helping Mattoon and the business climate grow stronger and more prosperous. **Think Local** when you are considering where to make purchases, **Buy Local** more often and **Act Local** by supporting businesses that fit the character of our community. We want to preserve this unique community of ours by increasing awareness about the benefits of doing business locally.

Our goals:

Educate residents about the importance of preserving a strong local economy, keep our local stores open, building stronger businesses—builds a stronger community. When a business grows, more jobs are created, jobs mean more money is spent, more taxes are collected. Tax dollars collected give way to better streets, parks, schools, etc.

How are we going to achieve these goals?

With your help! A growing network of Chamber merchants are accepting **Chamber Buck\$** into their stores aiding in keeping tax dollars in town, while strengthening our business climate—which means **JOBS!!!** By using or accepting Chamber Buck\$ in your businesses, continues our mission of—**THINK, BUY, AND ACT LOCAL**. So go spend money and feel good about it. Chamber bucks can be purchased by anyone, however, **ONLY CHAMBER MEMBERS CAN ACCEPT CHAMBER BUCK\$**.
